Forecast for Monday 15 Jan 2024

Weather: Occasional snow showers, some heavy in the morning, especially in the east towards the Lecht and Cromdale Hills, with temporary blizzard conditions likely, becoming lighter and more scattered later in the day.

Chance of cloud-free hill tops above 800m: 40%.

Low cloud and visibility: Shower clouds could lower to 600-800m at times, with poor visibility underneath due to the snow and blowing snow, at other times good visibility.
